TED UNIVERSITY
STUDENT SOCIETIES AND STUDENT ASSOCIATIONS
ELECTORAL PROCEDURES

Objective and Scope
ARTICLE 1- (1) Objective of these rules and principles is to regulate the methods and processes to be followed during the elections of the Administrative and Supervisory Boards in TED University Student Societies and Student Associations.

Basis
ARTICLE 2- (1) These rules and principles are based on the TED University Regulations on Student Societies.

Principles and Methods to be Followed in Elections
ARTICLE 3- (1) The electoral calendar of the Student Societies and Student Associations is determined every year by the approval of the Student Societies Commission as advised by the relevant unit. The calendar is announced on the University website and the bulletin boards by the relevant unit responsible for the Student Societies and Student Associations.
(2) Elections are held face-to-face or online through TED University survey system under the supervision of the Student Societies Commission, unless otherwise issued by the University Senate.
(3) Students who participate in the General Assembly become the active members of the relevant society or association. TED University students whose names are listed in the active members’ roster submitted to the responsible unit can vote in the relevant election.
(4) TED University students who have participated in the General Assembly of a Student Society or a Student Association and whose names are listed in the active members’ roster submitted to the responsible unit can nominate for the Administrative or Supervisory Board, provided that they have fulfilled the required conditions.
(5) Students who want to nominate for the Administrative or Supervisory Boards of Student Societies/Associations must submit the wet-signed and scanned copy of the application form,
which can be obtained from the web page of the related unit to (yim@tedu.edu.tr) via email during the application window as announced in the electoral calendar.

(6) Absolute majority (min. 50%) of the submitted active members’ roster is required to have participated and voted in the first ballot of Administrative and Supervisory Board elections of the Student Societies/Associations. If the required level of participation cannot be reached at the first round, no participation level is sought at the second ballot.

(7) If a Student Society/Association fails to hold the elections within the designated window, an election is to be held in the subsequent academic year open to all TED University students who have applied for membership to the related Society/Association.

(8) If a Student Society/Association fails to hold the elections within the designated window, related Administrative/Supervisory Boards will not be present until the elections are held.

(9) Election results are to be announced on the bulletin boards and the TED University website.

(10) Electoral Council Board is consisted of the eldest active member of the related Society/Association and the representative of the Registrar’s Office, and presided by the representative of the responsible unit. Minutes of the election, which is held within the designated window, is to be taken down by the Electoral Council Board and submitted to the Student Societies Commission.
