SECTION TWO

Scholarships and Discounts

A- Scholarships Awarded During University Admission

ÖSYS Admission Scholarship

ARTICLE 5 – (1) This scholarship is to be awarded to students who are admitted to university through ÖSYS scholarship quota.

a) Full scholarship is awarded to students who are placed via full scholarship quota. These students do not pay tuition fees. Among the students coming from provinces other than Ankara; students who ranked among the first 3,000 in the language score or the first 30,000 in other score types have the right to benefit from free dormitory services including accommodation in four-person rooms, breakfast and dinner. Students who are admitted with full scholarship are not entitled to receive any payment in return of disclaiming their dormitory rights. If they wish to claim their rights afterwards, they are to be provided accommodation within the bounds of possibilities.

b) 75% scholarships are to be awarded to students who meet the 75% scholarship criteria and quota. These students are entitled to receive a 75% tuition fee remission.

c) 50% scholarships are to be awarded to students who meet the 50% scholarship criteria and quota. These students are entitled to a 50% tuition fee remission.

c) 25% scholarships are to be awarded to students who meet the 25% scholarship criteria and quota. These students are entitled to a 25% tuition fee remission.

(2) Regarding the students who have been admitted to the University;

a) Rights of the students who have previously graduated from an undergraduate program of any university are valid.

b) Students who are already registered at TEDU as self-funded/scholarship students and have been placed again to another program via ÖSYS hold their newly acquired rights.

(3) Students do not apply for ÖSYS Admission Scholarship. This scholarship is to be awarded according to the exam result which is the basis of their current admission.

Placement Ranking Scholarship

ARTICLE 6 - (1) Placement Ranking Scholarship is offered to students who fall below the limits of minimum placement rank determined by the University for each program, score type and ÖSYS Admission Scholarship type in the YKS exam, during the period of validity of the ÖSYS Admission Scholarship.
(2) The criteria for the Placement Ranking Scholarship, the procedures and principles regarding its application, and the applicable rates are to be determined and announced every year upon proposal by the Senate and the approval of the Board of Trustees.

**International Student Scholarship**

**ARTICLE 7** – (1) This scholarship is to be awarded to international students admitted to undergraduate programs.

(2) The scholarship is offered to students at the admission stage.

(3) Scholarship is offered in 100%, 75%, 50% and 25% ratios.

(4) Scholarships are based on exam/diploma criteria accepted by the University Senate as mentioned in *TED University International Student Admission Criteria for Undergraduate Programs*.

(5) A 20% discount for full scholarship students and 15% discount for 75% scholarship students applied in *TEDU Dormitories* for 4-people rooms including breakfast and dinner.

(6) Students do not apply for International Student Scholarship. This scholarship is recommended by the *International Programs Office* within the framework of international student admission criteria and decided by the *University Administrative Board*.

**Undergraduate Transfer Scholarship**

**ARTICLE 8** – (1) This scholarship is to be awarded to transfer students at the admission stage.

(2) Students are offered full or partial scholarship in several ratios.

(3) Scholarship ratios of inter- and intra-institutional transfer students who have been admitted via ÖSYS are to be determined based on the equivalent scholarship ratio for the ÖSYS score of the target program in the year of their registration.

(4) Remaining scholarship period for Additional Article-1 (intra-institutional) transfer students is calculated by extracting the number of semester(s) studied from the total scholarship period.

(5) Scholarship ratios for international transfer students are based on the international student admission criteria for the year of their registration.

(6) Scholarship ratios for students who transfer from abroad are based on their exam/diploma scores they have submitted during application to the higher education institution they are registered at.

(7) The scholarship period for students who transfer via Additional Article – 1 (between institutions) is to be determined by taking into account the remaining normal period of study as of the semester in which they have been adjusted to.
International Diploma/ Certificate/ Exam Scholarships

ARTICLE 9 – (1) Scholarships mentioned under this article are to be awarded to students who have been admitted to University via ÖSYS or via transfer with ÖSYS score from another higher education institution, and who have fulfilled the required scores and submitted the below-mentioned diploma/international final exam results.

(4) Applications are to be evaluated by the related unit and resolved by the provider upon proposal by the Scholarship Commission.

SECTION THREE

General Principles, Scholarship Commission, Continuation and Termination of Scholarships, and Scholarship Students on Semester Leave.

General Principles

ARTICLE 16 – (1) Students can benefit from multiple scholarships simultaneously offered during university admission provided that they have met the required conditions.

(2) Students can take maximum two additional scholarships at the same time. These additional scholarships are the two highest rated scholarships awarded.

(3) Total ratio of tuition fee based scholarships (including ÖSYS admission scholarship) cannot exceed 100%.

(4) Tuition fee based scholarships are valid for credit limits designated by the University Senate at the beginning of the semester. Students taking courses above the designated limit are liable to pay an extra tuition fee whether they are on scholarship or not.

(5) Scholarship periods are maximum six years for students beginning their study at the English Language School, and maximum five years for the students who are beginning at their undergraduate program except for the scholarships which are valid for one year.

(6) Students who are registered as “special student” and students admitted via Erasmus/Exchange programs are not eligible to receive any scholarship.

(7) In case of misleading information provided by the scholarship student, ongoing scholarships can be cancelled, a refund can be requested and a disciplinary proceeding can be filed against the student.

Scholarship Commission

ARTICLE 17 – (1) The Scholarship Commission consists of the following TEDU members.

   a) Two lecturers
   b) Director or representative of the Financial Affairs Department
   c) Scholarship officer of the Registrar’s Office.
c) Director or representative of the Registrar’s Office

d) Director or representative of the Social and Cultural Affairs Directorate

e) Director or representative of the International Programs Office.

(2) The chairman of the Scholarship Commission is to be appointed by the Rector.

(3) The Commission implements the procedures related to the selection of students to be awarded scholarship, as well as allocation and termination of the scholarships.

**General conditions for the termination of scholarships**

**ARTICLE 18** – (1) Scholarships are terminated in the cases given below and the students are to attend the program under non-scholarship (self-funded) status.

a) In case the self-funded students or students on partial scholarship fail to complete their tuition fee payment for the current semester,

b) In case the English Language School students fail to attend courses for two consecutive years,

c) In case the undergraduate students fail to complete their course registration/advisor approval procedures for the current semester,

c) In case the undergraduate students receive an FX grade for all registered courses in two consecutive semesters.

(2) Students who fall into unregistered status forfeit all scholarships but they may attend the program in self-funded status provided that they have not exceeded the maximum period of study and renewed their registration.

(3) Procedures to be followed in cases when students receive a disciplinary sanction within the framework of the provisions of *Higher Education Institutions Student Discipline Regulations* are given below:

a) Students, who have received a suspension penalty for one or two semesters for the first time, forfeit all scholarships mentioned in these regulations except for the scholarships awarded during admission. Semesters spent on suspension are to be deducted from the maximum period of study and of the scholarship. Students are liable to complete the full tuition fee payment for the semesters on suspension. These amounts cannot be counted towards tuition fee payment for the subsequent semesters.

b) Students who have received a suspension penalty for one or two semesters for the second time forfeit all scholarships without exception.
c) Students who have received any of the following disciplinary penalties: warning, reprimand and suspension from one week to one month, for a total of three times forfeit all scholarships mentioned in these regulations except for the scholarships awarded during admission.

(4) Dormitory scholarships are to be terminated in the following cases;
   a) In case the English Language School students exceed the absence limit set by the English Language School for two consecutive semesters,
   b) In case the undergraduate students receive an FX grade for two consecutive semesters from all the courses registered in the current semester.
   c) In case any of the warning and/or reprimand penalties have been received three times within the framework of the Regulations for Higher Education Private Accommodation Services, the situation of the student is to be evaluated by the Student Coordination Office and resolved with the opinion of the Vice-Rector.

(5) Scholarships which require specific academic success condition are also stated in these regulations.

(6) The University Administrative Board may take a different decision within the scope of this article, depending on the situation of the student, provided that the principle of equality is observed.

Scholarship Students on Semester Leave

ARTICLE 19 – (1) Time spent on semester leave is counted towards the maximum period of scholarship. However in case of a force majeure, the University Administrative Board shall decide whether to count this duration towards the maximum period of scholarship or not.

SECTION FOUR
